This agreement is made between you (the client), and Clear Kids. It serves as a guide to the therapy services we provide, and any changes to this agreement need to be discussed and agreed upon by both the client and Clear Kids before implementation. Prior to commencing services with Clear Kids, you will need to electronically sign our intake form sent via our client management system, Halaxy to record that you consent to the terms of this agreement.

Attendance Policy

We pride ourselves on achieving outstanding results for our clients. Consistency in attendance is critical to ensure that children to meet the goals of their treatment plan. We are sensitive to the pressures faced by the families however please understand we spend time preparing for your appointment and this time slot is reserved for your child, making it unavailable to other waiting clients. It is therefore necessary for us to have a strict cancellation policy.

Cancellations

- Appointments must be cancelled via email directly to your treating therapist and CC support@clearkids.com.au prior to 48 hours (2 business days) of the planned session. A late cancellation within 48 business hours of the session will result in a charge of 100% of the full amount planned for appointment.
- Once you are booked into a regular time slot, you are committing to the entire term (as per ACT public primary schools dates). Sessions will need to be rebooked prior to COB when cancelled outside the 48-hour cancellation period within school terms for any reason.
- All appointments missed outside of the late cancellation period need to be rebooked at the time of cancellation before we can remove your session from the calendar. Alternatively you request your therapist use the time to make up a home program, or meet via telehealth.

Notice of any changes to this policy will be given on the day of cancellation or appointment, whichever is sooner.
